

Greetings!

Pre-registration for the 2019-2020 Greenville County Master Gardener Training Class opens June 1, 2019!

Due to the popularity of the Master Gardener program and limited seating (up to 30 participants), registration for the Master Gardener Training Class is a two-step process. First, interested individuals must complete the form below by June 30, 2019, to be considered. Master gardener representatives will then contact interested individuals via telephone to explain the program, answer any questions or concerns of the interested individual, and verify interested individual's desire to proceed with registering for the program.

The 2019-2020 Greenville County Master Gardener Training Class will begin on Thursday, September 26, 2019. Classes meet each Thursday afternoon from 1:00 pm to 4:30 pm at the Greenville County Cooperative Extension office for 19 weeks. The final exam will be given February 20, 2020. Classes will not meet on November 28, 2019, or December 19 & 26, 2019.

The training course fee is \$300.00. Fees will be collected after interested individuals have been contacted by master gardener representatives and registered for the class online. No refunds will be given once the class begins.

Complete the pre-registration here: <https://forms.gle/dWcJB6hNM9R9nMvJ7>.

I look forward to welcoming a new, enthusiastic group of Greenville County Master Gardener students in September!
