

Did You Know.....

Soil tests are the most important part of gardening prep work!

Soil tests specify info on the pH level and nutrients your soil needs –

And how to provide both!

For testing, bring your soil sample/s to either:

- the Clemson Extension Service office at County Square,
301 University Ridge # 4300, Greenville,
- Sloan's Feed and Seed, 910 N. East Main St. Simpsonville
- Travelers Rest Feed & Seed, 10 McElhaney Rd,
Travelers Rest, or
- Browns Feed & Seed, 102 N Main St, Travelers Rest

Each test is \$6.00
